Our io Games thrust you into competitive multiplayer action. We have the most exciting survival challenges. Make sure you are the last alive in our io Battle Royale Games. Or get a high score in games like paper-io-2 by covering as much space as possible. Customize your character before battle, and prepare to overtake the entire world! Every multiplayer title in our collection teaches you to play within seconds. React fast to beat everyone around you and become the top scorer. You can eat, shoot, hide, build, upgrade, and much more in our io Games. Play these games alone, together with friends, or against friends.

.io Games comes from the country extension for the Indian Ocean. io Games started with Agar.io in 2012. Now .io has become a synonym for real-time online multiplayer web games.

We have all kind of io games, play online Shooting Games with friends, play together with other people in Multiplayer Games, eat other snakes to grow in Snake Games, and many more. Play these online web games for free on your PC without downloading. Most of our games can also be played on a mobile phone or tablet. Have fun playing the best io Games here on Poki!
