Based on my research, I found that saques devolvidos
have been a recurring problem on 7 Games, especially after the Data1
update. Many users have reported issues with withdrawing their funds, and some
have even had their accounts blocked without any explanation.

I also discovered that there are several factors contributing to this p
roblem. Firstly, there seems to be a lack of transparency in the with
drawal process, which can lead to confusion and frustration for users. Secondly,
the platform's customer support team appears to be unresponsive
to user complaints, which exacerbates the issue.

To address this problem, I recommend that 7 Games implements
a more robust payment system that allows for faster, more reliable, and transpa
rent transactions. Additionally, the platform should register and add
ress payment issues promptly to prevent them from escalating further.
Lastly, I suggest that 7 Games investigates the root causes
of saques devolvidos and incorporates user feedback to improve the platform's
overall performance. By taking these steps, 7 Games can restore use
