Against the line, for instance! In Call of Duty: Ghosts, players face off

Against the line

Against the line in that game's suction mode. But Sledgehammer's Game

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode

Against the line in that game's suction mode
