Stunt Master;

;

We are now welcoming you all to the third and final new game we are providing you all today into the Friv 2024 Games category, where we always love bringing you new content, especially if, such as this time, we are talking about awesome car games, which is what this game called Stunt Master is, and which we are positive you are going to be enjoying a lot, just like we are very happy to say that we have, which is why we thought of offering you this game in the first place. We will proceed by explaining what you do in it, after which you are bound to have no stress at all about playing it. Well, you are going to be able to be a running man, a bike bandit, or a mustang mayhem. You are going to use the up arrow key to go, and the space bar to jump, do a wheelie, or activate nitro, depending on the situation. Try to do all of the stunts required from you in each level in order to pass it. You get extra points if you break stuff, break bones, hit targets, or go airborne. Good luck to you, as you will need it, and we won't wish you fun, since we already know that you are going to have it nonetheless!
