<p>They withheld all my winnings from my account 💋 and only provided the deposit I made. This is due to the multiple accounts rule that they are saying but 💋 will only tell you if you win from their site and not upon registration or when you lose all your 💋 money.</p>
<p>Their customer service is useless especially the security team. They will ask you all these stupid requirements and later on 💋 inform you of a different violation just in case you cannot provide the requirements.</p>
<p>I also had issues with withdrawal which 💋 took a few days before they were able to resolve. If I did not catch it from the transaction history , 💋 I would have not noticed it. You need to do your own investigation as their Customer Service doesn t really think 💋 but just sends replies that would be easy and beneficial for them.</p>
<p>I would suggest refraining from using their website as 💋 I am sure that they will find a way to block you from their site if you win!!</p>
