It's an easy game to play and anyone can understand the core concept, of Call of Duty: That's why The Call of Duty player introduced the Handicap 3; a form of sports betting that allows bettors to have additional ways to win, a game that wins money by registering a competitive sports, like football. In this type of bet, there is a handicap of 3 goals, where you can bet on either team or a draw. In football, for example, if you bet on a team with a handicap of -2, you win if that team wins the game with a goal difference of 3 or more. In golf, a complete difference is used, if a preference is given to one team, the team with the lower score of the two will be given a handicap based on the difference between the two scores. In the meantime, Maxis banishes Richtofen's soul from the Aether and he is to be condemned to eternal damnation as a zombie. This is considered the canonical ending. In the Call of Duty: Zombies comics, it is revealed that Undead Richtofen ended up being teleported, due to his Primal version of himself.
