O O bet365

O +2.5 goals is one of the principal indicators of value defined

by the players of football. It represents the number of cards marked for

the game, and is calculated by dividing the number of goals scored by the number of

goals scored by the player.

A formula to calculate the +2.5 goals indicator

is 
$$+2.5 \text{ goals} = \left( \frac{\text{Number of Goals Scored}}{\text{Number of Games Played}} \right) \times T$$

For example, if a player scored 10 goals in 20 games

the +2.5 goals indicator would be 0.5 (10/20 x 2.5).

This indicator is important and useful for the players

of the O O bet365 relationship to the goals scored. In addition, it is used

by the referees and referees of the referees to perform

the game in the games
